

CallerMD is the simplest, most effective way to bill for uninsured medical services.

SUCCESSSES

- Over 1,200 physicians are using CallerMD in Ontario, Alberta and Manitoba.
- CallerMD generates an average of \$15,000 – \$20,000 in additional annual income for the physician
- Doctors using CallerMD report a 30-minute reduction in workload per day

PROFESSIONAL ALLIANCES

OMA Section on General and Family Practice

*"CallerMD provides a very valuable service to busy family physicians, and assists in receiving proper and timely payment for uninsured work rendered. I urge **each and every family physician** to seriously consider this **excellent service provider**."*

-Dr. J. Ludwig, Chairman

OMA Section on Pediatrics

"We believe that all community pediatricians would benefit from the CallerMD service and the Executive of the Section on Pediatrics encourages you to take time for a short meeting with CallerMD to learn more about their service."

-Dr. Hirotaka Yamashiro, Chairman
